Even though it may not feel like it, October is here and that means a busy month is upon us. September ended a great church year where we saw God move in amazing ways. This year God opened the door for us to purchase the 9 acre property next door without adding any new debt, and remodeling of the children's building, youth room, and fellowship hall. We are now live streaming our morning worship services so people from all over the world can join us in worship. On that note, I want to encourage everyone in their attendance and do not let the live stream serve as a replacement for personally attending church. This year through faithful giving we met all of our spending needs as a church. The list of Gods blessings could go on and on, but I at least wanted to mention a few.

Now that the new church year has begun I want to challenge each of you to help make this church year the best in our long history as a church. I want to challenge each of you to intentionally invite at least one person every Sunday. I want to set a goal of having more guests than ever before. I want to challenge you to step out deeper in your service and in your giving. Remember, God can do more with our faithful service and giving than we can ever do on our own. I want to challenge everyone to get plugged into Sunday school and a grow group. We need community and we all need spiritual growth which happens best in a group. I want to challenge each of you to faithfully seek the Lord in all things and put Him first.

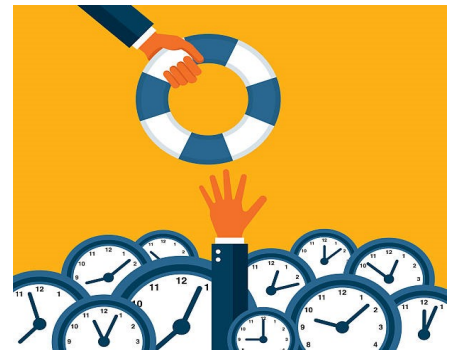

I believe this new church year is going to be an amazing year with many people coming to Christ and others growing in their walk with Christ. Ask God what He would have you do and where He would have you serve as we unite to reach our community for Jesus. As always I covet your prayers.

Grateful to be your pastor,

Pastor Geoff

Don't forget about our ongoing 52 challenge. We are challenging all who can to give an extra \$5 for 52 weeks. Let's all step out in faith and see what God can do.

OUTREACH CHALLENGE
