APRIL 10th

"I passed on to you as most important what I also received: That Christ died for our sins according to the Scriptures, that He was buried, that He was raised on the third day..."

1 Corinthians 15:3-4

Greeting PRBC family! I pray this newsletter finds each of you safe and doing well. We are certainly living in some different and difficult days. Many of you have probably found yourselves living a much different life than just a few short weeks ago. I know personally it has been difficult not being able to see each of you week after week at church. I so look forward to the day when we are back together. My hope and prayer is that by Easter we are meeting together again.

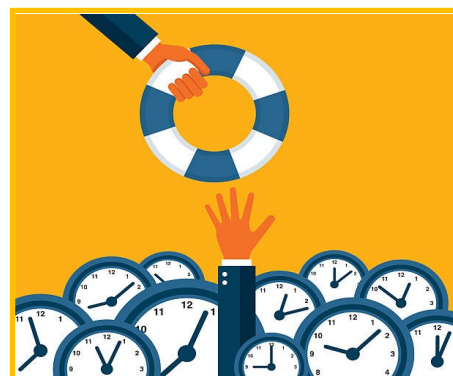

Even though we are not meeting physically church services are still taking place. Remember, you can find us on Facebook live each Sunday during normal service hours. I invite each of you to gather around your computer, tablet, smart tv or even your smartphone and worship the LORD. None of this caught God by surprise and I believe God is going to use the virus to draw people to Himself and to be honored and Glorified. This virus creates so many new opportunities for the church as people are dealing with both physical needs and spiritual needs. With that said, church business has not stopped. We are at the office daily doing the work of ministry utilizing the technology God has given us. Please continue to pray for your staff during this time.

You may be wondering what faithful church membership looks like during this time. First, as previously mentioned join in on the livestream if you have the ability to do so. You will get to hear the praise team lead us in song as well as get to hear the preached word. You will also get to hear the latest updates concerning church life. Second, continue to be faithful in your giving. To be honest, March giving was way down which we did expect. However, you have the opportunity to worship through giving even though we are not physically meeting. You can either mail it in or you can go to prbc.church and click the online giving button. Third, check on and reach out to each other. We are church family. Call members of your Sunday school class or grow group. Check on those whom normally sit near you on Sunday morning and if you are not able to do that, pray for each other. We need to come together, loving each other, caring for each other perhaps like never before.

This tough season will pass and God will be glorified. Wash your hands, practice social distancing, and stay safe. I love each of you and look forward to seeing you soon.

Grace and peace,

Pastor Geoff
