June is here and I pray this newsletter finds you well as we slowly return to more normalcy in the church and outside of the church. Believe it or not, May was such a good month for our church. As we opened our doors on May 3rd we have seen attendance steadily rise with people becoming more comfortable at church. As I have said before, you are welcome to wear masks if it makes you more comfortable. We have plenty of seating in order to social distance. We are not passing an offering plate nor do you even have to touch a door in order to enter the building. Once inside we have plenty of hand sanitizer as well as alcohol based hand wipes. We are doing our part to make the environment as safe as possible. I want to thank our custodian for doing such a good job at cleaning and making the building safer.

I want to encourage each of you to invite people you have not seen and invite those who you know that do not attend church. The worst thing they can say is no. Not only have we seen attendance on the rise but we had 5 baptisms in the Month of May and our financial situation is not near as bleak as it was in April. We have not caught back up completely as of yet so I encourage each of you to continue in faithful giving, but I am so proud of our church for the numerous ways you have been faithful during the COVID-19 crisis. God has moved and is continuing to move in our midst.

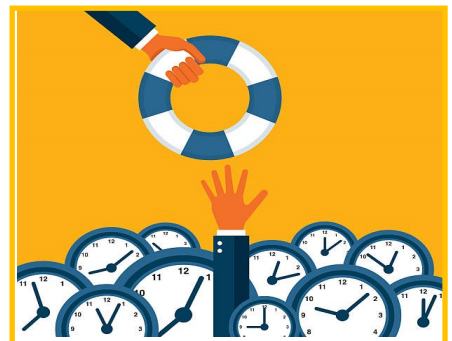

Now that June is here that means Sunday mornings will enter a new phase of return. We will offer Sunday School, nursery, and children's church. Please work with us as we try to navigate many of the unknowns. If you are a Sunday School teacher who does not plan to return on June 7th we ask you to PLEASE CALL THE OFFICE to make us aware so we can adjust accordingly. Also, Wednesday nights return beginning JUNE 10th. The youth will be at youth camp that night, but Bro. Michael is looking forward to seeing the children return! Sunday nights will not phase back in until later in the Summer due to decreased volunteer support and needing the time in between services to clean and sanitize. I realize there will be a few bumps along the way but ask everyone to show grace during this unprecedented time.

I appreciate Bros. Michael, Stephen, and David for all their hard work and continued planning of events, ministry within the church, and ministry outside of the church. They have done a great job. I encourage you to let them know you are praying for them and ask how you can help.

I want to say thank you for the continued prayer as well. I have never pastored through a major pandemic of this magnitude and it has been a learning experience for me personally. Thank you for the love, prayers, and support. As always I covet your prayers for the days ahead.

Grace and Peace,

Pastor Geoff
