Wow! August is upon us and that means not only is school about to start back, but the year is more than halfway over and to be honest, I pray the later half of 2020 is better than the first half. In spite of some difficult days, God has truly been faithful to me individually and faithful to your church. Our church overall experienced a great Summer. We have seen numerous salvations, baptisms, and folks join our church in membership. Despite COVID God worked in our church and through our church. This summer we partnered with Baker Backpack Buddies to feed hundreds of children in the Baker community, we had a successful school supply giveaway and were able to do numerous other things for the Kingdom of God. I have said from day one that the church CAN NOT be in retreat mode and we are not going to be in retreat mode because there is too much at stake. Eternity is at stake for our community and we must not ever forget that. We must be faithful to the call to reach the lost and teach the found even in the midst of a Pandemic. The church mission does not stop due to a pandemic. The church being faithful to her mission is needed now more than ever. I want to encourage each of you to continue in your faithfulness. For those who are able to be with us in person on Sunday mornings, I encourage you to do so. For those unable, I encourage you to watch online to stay connected. I also want to encourage you in faithful giving. The church year is winding down and let us finish strong financially as the ministries of the church are still very active. Friend, God is just as good today as he was in January. I am of Paul's words to the Philippians, "For I am confident of this very thing, that He who began a good work in you will perfect it until the day of Christ Jesus." I hope each of you has a blessed August.

Grace and Peace,

Pastor Geoff

WHY IS CHURCH ESSENTIAL?

In our current environment, it's important to know why church is essential. God created the church to teach, encourage and serve our community. We are taking the knowledge we gain from God's servants to the world. As we navigate these difficult times of unrest, let's remember that God has already won the battle, but it's up to us to act like it.

2 million in 2020

Our 2020 challenge is to meet our budget and pay off our church building loan. Let's all step out in faith and see what God can do.
