September is here and that means we survived the summer of Covid-19 and what a wild ride it was. I want to give a brief synopsis of what we saw God do this summer at PRBC. On May 3rd we had baptisms at the Henderson Pond with the baptism of 4 students from our student ministry. It was a great time of worship, celebration, and praise. In June, our student ministry went to camp in North Georgia taking 50 students. It was an amazing week in which 4 more students came to Christ. July was a rough month for us because we saw a small Covid outbreak in the church which forced us to cancel Kid's camp and VBS. We made it through the month of July and saw God do some great things in August. Tim Lee was with us on August 9th and we had several professions of faith from that harvest day and it helped set the tone for the rest of August which concluded with another profession of faith made in my office this past Monday. Friends we saw 10 professions of faith this Summer!!!! Praise the Lord for His goodness in our church.

With all of the successes mentioned we can not sleep nor slumber. God's church **MUST** continue to move forward. I want to encourage each of you to help us finish well in the area of giving. September is the last month of our budget year and I know we can reach our budget goals in spite of COVID. We have seen God's faithfulness as we have not shut down and stopped being the church. Let us be faithful and reach our budget goal. Second, I want to encourage each of you in attendance. I know that some have compromised health and can not attend in person, but if that is you, you can still be faithful to your church even in attendance. You can faithfully watch online each week. George Barna and his studies reveal that nearly 40% of church members who are not attending in person will not even watch online. Let us not be like that. Support your church online if you can not attend in person. For those who can attend in person, support your church with your physical presence. Grab a mask if you desire and join us in Worship. If you want a mask and do not have one we will supply one for you.

I also want to encourage each of you to check the bulletin and rest of the newsletter for all the happenings taking place in the days and weeks to come. There are some exciting things in store for PRBC. I am so excited and I hope you are too. I believe we will have a new church, a stronger church, a purer church when we come out of the COVID pandemic. God is allowing all of this for a reason and let us not lose sight that He is in control. I pray each of you have an amazing month.

Grace and Peace,

Pastor Geoff
