Go quickly and tell His disciples
that He has risen from the dead

Matthew 28:7

The first quarter of 2021 is past us and where did the time go? It is hard to believe we are just a few days away from Easter. I want to encourage each of you to join us in person Easter Sunday at either 8:30 or 11am. I am so excited about Easter this year considering we were not able to have in-person services last year on Easter due to COVID. I am grateful that most of our senior adults have either been vaccinated or made it past their own bout with COVID and we are seeing more and more senior adults return each week. We have set a high attendance goal for Easter Sunday of 700. I really believe we can get there if each of us will do our part and at least invite someone to attend with us.

Also, I want to remind each of you about our ongoing Joash offering. We have set a high goal this year of \$100,000. I know the goal is high but I believe we can reach it, especially in light of it being income tax return season and many people getting the third round of stimulus funds from the government. This offering is an above and beyond offering which will help in two ways. First, half of the Joash offering will help to get our general fund giving caught up which is lagging behind. Second, the other half will go to pay down the building loan which we desperately want to get paid off. So, I ask each of you to prayerfully consider how God would have you give in this area.

Finally, I want to say thank you for the continued prayers and as always, ask you to continue to pray for all your staff as we are here to serve you and serve the LORD. Pray for each other and pray for our community. Pray for revival in our church, community, and nation. We need it! I am praying for each of you and I hope you have a great April.

Grace and Peace,

Pastor Geoff

JOASH

OFFERING

\$100,000 Goal

Received to Date: \$21,800

2 Chronicles 24:8-18

King Joash decided to have a large chest made. Instead of the money for the repairs coming out of the regular offerings that the people gave, they would come from people who desired to give extra from their heart and put money into this chest.
