

STUDENT MINISTRY GROW GROUPS (WINTER SESSIONS)

Letter to Parents/Students:

Starting January 16, we will be OFF CAMPUS at Tammy Lawson's house.

The address will be provided.

WHY: We did this a few times last year and many have asked for it back. The major part of the vision for the student ministry is to make an impact on their lives. We have received, overall, the best response to small groups when they were at the homes last year. This is prayerfully foster relationships and a time of growth both spiritually and growth as a group. Many students who may never come on Sunday night may also come for a setting such as this.

WHERE: Tammy and Kenny Lawson

1899 TW Drive, Baker FL

TIME: PARENTS please read!! We DO NOT want this to impact your attendance to your Grow group class. We have made some arrangements to help.

You can drop off your student at 5:30.

Pick up IS NO RUSH! Please, please, do not leave your grow group early. We will be there as long as we need to. Feel free to pick them up after 7:15, but again, NO RUSH.

WHAT: The curriculum we are using this semester will help further the IMPACT vision. This first half will focus on how you (student) can impact the world that is hostile. How do you really make an impact for Jesus that is loving but also with the truth? Can we really do this with the growing hostility towards Christianity? These questions and more will be answered.

If you have any questions, please reach out. My contact and Tammy's will be below.

I am looking forward to this time for the students to grow in their faith and with one another.

In Christ Alone,

Pastor Tyler Eanes
